— ABOUT THIS COURSE

This three-day, advanced-level course builds upon the information and concepts covered in CTRA, along with the attendee's experience and casework with historical cellular records. It prepares attendees to explain and present cellular records to a captive audience — generating effective demonstratives and written reports, and organizing a courtroom presentation that holds up under scrutiny.

— PREREQUISITES

CTRA (or equivalent) plus hands-on casework with historical cellular records recommended.

— THE GOAL

Explain and present cellular records with authority.

— REQUIRED EQUIPMENT
