MODERN CRIMES, MODERN TRAINING, MODERN INVESTIGATIONS.

This 2-day entry-level course was designed to provide the attendee with a basic understanding of how cellular telephones operate, the records they generate, how to obtain them, and how to leverage them in an investigation. The course mixes lecture content with practical exercises to provide the student with plenty of hands-on time analyzing records.

Required Equipment:

- Laptop w/ WiFi capability
- Pre-installed software - instructions provided after registration

REGISTER AND LEARN MORE:
